Rio Grande's Catalog In Motion® Scheduled for February 5–8, 2010

Attendees will try out new products, see tool demonstrations, talk to jewelry experts and take hands-on classes at this exclusive show where jewelry-making comes to life with Rio Grande!

- Catalog In Motion® will be held during the Tucson Gem & Mineral Show at the Tucson East Hilton (7600 E. Broadway Boulevard).
- Attendees need not pre-register for the show or free seminars. Registration for hands-on classes is at cataloginmotion.com starting November 11, 2009 at 10am MST through January 21, 2010. Classes fill quickly! Catalog In Motion® is for all skill levels, from beginners to experts.
- New hands-on classes this year: Glass Casting, Glass Fusing, Make Glass Beads, Flex Shafts 101, Beginning COPPRclay™, Caterpillar Overlay Chain Mail Bracelet, Tryzantine Bracelet, Wax/Freehand Bracelet, Bezel and Flush Setting, Basic Prong Stone Setting, Using Microfold Textures, Fan Fold Jewelry and Printing with Rolling Mills.
- See new products and demonstrations, including the Rapid Prototype machine, the Orion Welder, TemprRing™ jump rings and laser welding.
- Visit cataloginmotion.com or call 800.396.9896 for more information.
